wice and mome. Air-" A man's a man for a' that. Let rakes exvola roving life, Of freedom prate, and all that, Of noisy brats and scolding wife,

And doctor's bills, and all that, Though fools may rail, and jest, and scoff, A wife's the thing, for all that; The time, they'll find, is not far off, When so they'll think, for all that. 'Tis true, when youth and fortune smile,

And health is firm, and all that; If hen wine, and song, and dance beguile,-Variety, and all that; When every place where'er you roam Has jolly friends, and all that; You want for neither wife nor home. Nor sympathy, nor all that.

But age comes on, with steal by pace, And sober thoughts, and all that ; Trouble will show her frowning face, Sickness, and pain, and all that: The feast, the bowl, will lose their powers. And revelry, and all that; Then shall we need, to cheer the hours,

A wife, and home, and all that. Oh? "when misfortune clouds the brow." Disease, and death, and all that; Thea, "woman, then an angel thou," To soothe, and cheer, and all that, Thy gentle cares beguite our pains, Our sleepless nights, and all that; Thy voice the sighing soul suctains, With hope, and trust, and all that.

rattle, and, as he imagined in his dreamy dium for the local circulation of New York employed at the best prices. condition a cry of fire. He started from his bed; threw up his window, and looked out into C—— street, but all was quiet there. DROPSY: all stages of this complaint immediately relieved, no matter of how long standing. See Pomphlet for Testimons. This disease is as frightful as Chousea, and the sleep and dreadful progress of the malady, bluming the system on a degree which renders the patient atterly maddle to move, forms one of its most discussing features.

HITHERTO INCURABLE, it now yields to this remedy—and Physicians use it oubliely and privately with perfect success. Let any one who has ever had a symptom of Dropsy, of any character keep this article by them, and, if they would avoid the unnatural APPLICATION OF THE KNIFE, to perforate the system and let the accumulated water flow away, only to fill up again, and finally to end in a dreadful death, let them just use this remedy in season, and a recovery is sure. Let them try it at any stage of this disease, and a one is certain, if they will give it a fair nial.

GRAVEL. ONAVEL, and all diseases of the uninary organs; for these distressing complaints, it stands above; no other article can relieve you; and the ones testified to will concince the most skeptical;—See pampilet DEBILITY OF THE SYSTEM, weak back, weekness of the Kidneys, &c., or inflammati of some, is unmediately relieved by a few dives use of a medicine, and a cure is always a result of its use. It stands

A CERTAIN REMEDY such complaints, and also for derangements of the female IRREGULARITIES. SUPPRESSIONS, painful monstrautions. No attack has ener been offered except this, which would touck this kind of derangements. It must be relied upon as a sure and effective remedy, and did we feel paintited to do so, could give

A THOUSAND NAMES ss proof of cures in this distressing class of compliants, pamplifer. A'l broken dewn, delabrated constitutions, the effect of inercury, will find the bracing power of inigle to act immediately, and the post-caus numeral spatials. on the system. The 22 distinct properties which compose this article, man fest themselves particularly in the application of the com-pounds for the distressing class of compounts which here this pergraph. For centuries there has been used in th-north of Europe, a

CERTAIN BOTANICAL AGENT. which is all discusse or derangements of the female frame, obstructions, difficulties, panular meastructions, Xe., has effected a cure. This root is indigenous to out soil, and forms in large quantities, and as a medicinal property, stands without an equal; it forms one of the compounds in the preparation, which, as a whole, is the test contently ever given to a debuttated female; it is sure, and the system will be restored to health is its use.

For the rolled of all Symmethetic Discusses attendant on pregnancy in allow those discussion and confer transfer where nancy: it aliays those discressing and paintain troubles whice often occur both to married and unmarded females, and re-moves those periodical obscinctions which arise from taking moves those periodical observations which are also cold, &c.

CONSUMPTION AND LIVER COMPLAINT, Billions Discusses, Indiammation of the Langes Foughts, Volds, Hourstness, Mydit Secats, Weighters, Very for all these insparse in Madicine has ever been its equal.
